

A NEIGHBOURHOOD PLAN FOR WARMINSTER

Warminster is entering a period of growth. The Neighbourhood Plan considers how the town can best ensure that all new developments are fully integrated with the town and looks at what facilities should be provided to meet the needs of the growing population.

Through the production of a neighbourhood plan communities are able to have a greater input into local development. This includes, subject to higher policy, the opportunity to:

- Define where new homes, shops offices, industrial units and other developments should be built
- Identify and protect local green spaces
- Influence the quality and look of new developments

The Plan has been drafted and prepared by a group representing a wide range of local organisations. It covers three main themes that look at Warminster as :

A Place to Live
A Place to Work
A Place to Enjoy

along with two sub-themes:

Town Centre
Getting Around

All the policies in the Plan relate to the above themes and are listed inside this leaflet.

We want your views!

A copy of the draft plan can be viewed online at:

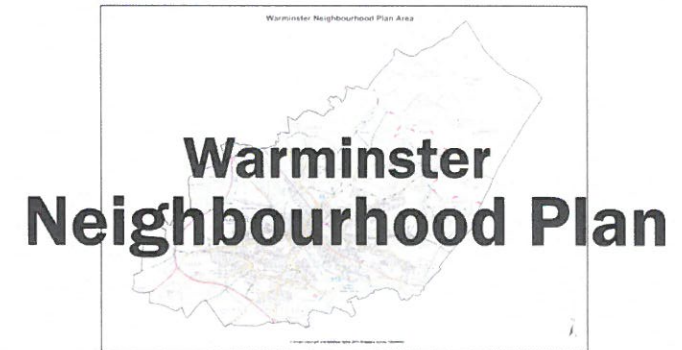

<http://www.warminster.uk.com/council/neighbourhood-plan.php>

together with details of the process, supporting documents and the consultation response form. A printed copy of the plan is available to view at Warminster Civic Centre and Warminster Library.

The consultation response form can be completed online or can be sent to the address below during the consultation period which runs from 17th March to 8th May 2015.
