HR/20/007 Health and Safety

The HR committee has responsibility, under its Terms of Reference for the management of the risk assessments. The regular reports, which have been carried out on a monthly, ad hoc and quarterly basis since the start of the municipal year are completed and areas for discussion were outlined and sent to members, in review sheets for the period:

October 2019 – March 2020 inclusive.

March – to date Covid19 risk assessment.

The clerk advised members that the play areas were due to open shortly, however, over the weekend most of the areas had been accessed, locks broken, or ties and safety notices removed. The areas were due to open this week, with permanent safety notices in place and twice weekly cleansing sessions organized.

Members thanked the clerk for the updated. It was noted that the skatepark had been very busy over the weekend. Stuart Legg responded that Covid advice signs had been repeatedly removed from the site but were replaced on a regular basis. The replacement routine would continue. It was further commented by a member that the Government advised that play areas should be cleaned after every use. Officers advised that the government advice was, 'do what you can locally': risk assessed at a local level. Wiltshire was generally a Covid low risk area, the council were providing good signage and cleaning twice a week. Members agreed that the council was doing what could be reasonably expected and that this should be included in any press releases.

Members noted the reports.

HR/20/008 Renewal of council's HR consultancy contract

The council had used the consultancy services of the HR Dept for over four years. The service included, but not exclusively, telephone advice, regular meetings, employment law updates, attendance at council meetings. Full details were contained within the service agreement which had been distributed for members perusal. There were no cost increases for 2020 – 2021 and the fee remained £200 per month, £2,400 per annum. Members noted that the service had been good, and that continuity was important. It was noted that next year, contracts would come up for review and further quotes could be sought then and perhaps a contract for a four-year term could be negotiated.
