The initial draft budget has been tweaked to take into account the latest financial forecasts and other minor changes. **(see attached).**

The recommendation is for a 2023 - 2024 precept of £1,338,548. This represents an increase to the precept of £19,256 (an increase of 1.46%) in order to maintain a balanced budget. The tax base has increased by 1.46% so this represents an increase (per Band D Equivalent charge) of 0.0% (equal £0 per annum or 0 pence per week). The Band D Charge will therefore remain at £212.82.

**Members to recommend the draft budget to Full Council.**

## Variance Report to Finance and Audit Committee 3<sup>rd</sup> January 2023

### Variances – YTD 31<sup>st</sup> October 2022

The RFO provides the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose, 'material' shall be in excess of (15%) of the budget, minimum of £500, based on the budget for that period, (and allowing for prepayments or accruals). Spending up to end of October 2022 would be expected to be 58.3%, variances are for spending below 43.3% and above 73.3%, minimum of £500.

## **Budget Notes 2023-24 Draft Budget - Tom Dommett, Town Clerk and RFO.**

The headline from the draft budget is that there will be no increase in the level of the Town Council's share of Council Tax for 2023-24. The Council would be in a strong position to continue with delivering its existing services and activities.

The Council Tax base has increased from 6,198.97 Band D equivalents in 2022/23 to 6,289.58 Band D equivalents in 2023/24.

A significant change has been the removal of revenue line for services to be devolved. The Earmarked reserves for services to be devolved are now substantial enough to fund an initial take on of extra services from Wiltshire Council.

Members resolved in November 2022 that Warminster Town Council is not interested in a Service Delegation and Asset Transfer (SDAT) agreement with Wiltshire Council currently but might be after it has had time to judge Wiltshire Council's new grounds contract in action. The town council maybe interested in providing a "top up service" rather than a SDAT at some point in the future.

Warminster Town Council would like to proceed with the Transfer of the Community Hub Building to the town council.

Councillor resolved to ringfence the earmarked reserve services to be devolved for the 2024-25 budget preparations.

The Council will benefit from increased interest on its investments and from increased sales at the Pavilion Café. The Council has also been protected by having fixed rates deals on much of its energy supplies.

On the negative side, inflation is at very high levels, particularly with regard to any capital projects. With this in mind the revenue contribution to capital has been increased. In addition, money needs to be put into the capital 'pot for to cover future expenditure, for example for the splashpad. Rather than have even more earmarked reserves, the Council has a large reserve from which funding can be drawn from when needed.

### **CCTV**

It is expected that the Town Council will make savings in CCTV running costs over the next many years, so the Dewey Trust contribution to CCTV has not been budgeted for.

### **Grants**

The budget increases the Council Grant pot from £15,000 to £20,000.

### **Council Administration Salaries**

The salaries for 101/4001 are split via recharge to the following budget lines 101/4001, 102/4001, 103/4001, 104/4001, 107/4001
