Warminster Police Report

News

Mid-June you would have seen Warminster Neighbourhood Policing team out and about carrying out various community events to showcase what your local NPT do behind the scenes.

The team have carried out numerous community drop ins across Warminster, attended local fetes, held tack stamping drop ins.

The Mobile Police Station was out and about across Warminster the week of 16th June and some locations were very successful with members of the public seizing the opportunity to speak to their local officers.

The White Audi that was causing a number of traffic related issues within Warminster was dealt with by our Trowbridge Response team and Roads Policing Team. He was arrested for a traffic related offence and his vehicle was subject to a Section 59 Notice.

I have since been informed that this male has now changed this vehicle. We will continue to monitor any new reports made.

Selecta DNA

This was a product trialed by Greater Manchester Police following a significant spate of burglaries in their area. This product was rolled out and reduced burglaries by up to 83%.

SelectaDNA offers a full range of property marking solutions and is ideal for protecting the assets and belongings of individuals, schools, businesses, hospitals, and councils. By combining unique DNA coding with microdot technology, SelectaDNA not only reduces crime and property theft but also enables police to link criminals to crime scenes and secure convictions.

Bike Stamping

Following on from the successful bike stamping event that myself and PCSO Revers held at the Civic Centre. I have been making enquiries with BikeRegister to enquire how much funding would be required in order to have a sustainable amount of kits.

I now have the price list and options available to discuss further and explore other avenues of funding.
