

Spring in the Park, Sunday 1st May

Bring your family and friends to our fantastic fun day 'Spring in the Park'. A variety of exciting stalls will encircle the lake and local charities are providing games and fun activities. Your four-legged friends are welcome too and they can win a rosette at the dog show. Entertainment is provided throughout the day and children will love the brand-new space themed splash pad so bring their costumes.

This year we are inviting teams of 4 to build a raft and enter the Raft Races. The winning raft wins a cash prize and the Children's raft race is sponsored by Twirls' Sweet Treats.

For further details about having a stall or entering a team into the raft race please email admin@warminster-tc.gov.uk

Splash Pad

An exciting new splash pad is coming to the park. The space themed design includes: The Sun, The Earth, planets, stars, and a rocket. It will have 12 water features, but it is not all about the 'splash', those who wish to paddle are also catered for in this exciting new facility. There will be a paddling pool area with a sluice gate which will allow children to open the pool area and release the water or dam the water to create the paddling area. Work on the new Splash Pad is progressing and it is expected open at Easter.

Lava Trail a big success

Children are now enjoying the new volcanic lava trail in the Lake Pleasure Grounds. There are obstacles to complete before reaching the trampoline at the end of the trail. The new trail is situated in the Lake Pleasure Grounds near the skatepark and along from the outdoor gym.

Celebrating the Civic Award Winners

Three Civic Award winners were honoured at a special tea with the Mayor on Friday 7th January. The three winners were: Jean Colgrave – Civic Award, Jamie Scorgie – Junior Civic Award and George Comley – Green Civic Award.

Jean is the founding member of the Warminster and District foodbank Jean has dedicated countless hours of her time to provide a lifeline to many over the past 12 years.

At the age of 13 Jamie is the youngest ever volunteer and broadcaster for Warminster Community Radio. He is adamant that he will

do all that he can to support the community to combat loneliness.

George is 11 years old and a passionate advocate for the environment. George has been producing a management plan that would help to encourage a healthy ecosystem and to help prevent the stream from becoming overgrown and causing flooding further upstream.

New Town Council Website

Warminster Town Council has fully updated their website to make it easier to navigate, interact with and ensuring we meet current accessibility standards.
