Warminster Neighbourhood Plan: Call for Sites – now open

Warminster Neighbourhood Plan (WNP) Steering Group, in conjunction with Warminster Town Council, are pleased to announce the launch of its Site Allocation process – Call for Sites.

This initiative invites residents, landowners, developers and community groups to propose land and sites within the parish boundary for potential future housing development.

The Warminster Neighbourhood Plan Review does not have to allocate local sites for development. However, doing so can enable development of small to medium size and brown-field sites to meet the needs of our community.

Youth focus

Warminster Town Councillors have cemented their commitment to working and supporting the younger population in the town

Warminster Town Council recently [appointed two Youth Champions](#) Cllr Stacie Allensby and Cllr Jack Jones (pictured above), who will act as contacts for young people to talk about ideas. The new positions recognise the need for more support for young people and will create a more open dialogue between the youth of Warminster and the town council.

Town councillors have previously unanimously [approved £10,000 for free activities for young people](#) – which have already included popular free canoeing and tennis sessions.
