CCTV success

Warminster Police received a report from Warminster CCTV of shoplifting in progress in July. This call had come into them via the Shop Watch radio scheme which is managed by the CCTV team. Quick reporting enabled the CCTV team to track the suspect and provide police with up to date information. The male was swiftly arrested and transported to Melksham Custody.

Warminster and Westbury CCTV partnership is overseen by a working group of representatives from Warminster Town Council, Westbury Town Council, Wiltshire Council, the Army, Wiltshire Police, West Wilts Trading Estate and local businesses.

Its success is built on special relationships between these partners to deliver a service to the community.

Youth focus

Warminster Town Council remains committed to providing free opportunities for young people in Warminster. [Free canoeing sessions](#) and free [tennis lessons](#) returned to the Lake Pleasure Grounds, a [new exciting Ice Cream and Bubbles event](#) as well as an ongoing [free interactive Longleat trail](#) have featured this summer.

The positions recognise the need for more support for young people and will create a more open dialogue between the youth of Warminster and the town council.
