

A Message from the Mayor

I am very blessed and honoured to be chosen as Mayor of Warminster. My chosen charities this year are Wiltshire Air Ambulance and Warminster Youth Group.

As one of the youth champions, and as a mother, youth activities and wellbeing is incredibly important to me. Services and funding are becoming more and more limited giving the youths of today less things to help keep them occupied. Warminster Youth Group is a small beacon for quite a few youths and donations will help keep it running and enable them to carry on providing the range of activities they do for the young people.

In 2023 Wiltshire Air Ambulance responded to over 1,167 missions in Wiltshire, Bath and the surrounding areas. The charity receives no regular direct funding from the Government or National Lottery grants, so relies on generous donations from the public and local businesses to raise the vital funds needed.

I am grateful for any donations you can give, no matter the size, it all goes towards these two amazing charities

Thank You

  
Stacie Allensby

I wish to support the Mayor's Charities 2024-25

The  
Mayor's  
Charities  
2024-25

Warminster Youth Club was established in 2018 and like many other youth services falls to the voluntary sector to run. Our CEO Beth, who founded Warminster Youth Club, and the whole team have a passion for youth work and together have overcome many hurdles including Covid to ensure the young people of Warminster have a youth service.

In 2021 Beth, with the support of the committee, formed the charity Westbury and Warminster Youth Club to secure the youth club's future. Post Covid we are the only youth club in Warminster. The club runs every week during term time, where we welcome young people aged 11-19 and up to 25 with SEN. The youth club offers a safe space for all young people with youth workers to support and guide them as well as offering an informal education. We also work closely with parents and carers to offer support and reach the best outcome for the young people. The youth club also deliver detached youth work in the town,

helping to reduce the amount of youth anti-social behaviour.

"Being one of the mayor's charities of the year means so much. The money raised will go such a long way in supporting the young people who need it most. It will help keep the youth club doors open".

Air Ambulance**  
funded by you, flying for you

Wiltshire Air Ambulance Charitable Trust is a registered charity providing an essential Helicopter Emergency Medical Service (HEMS) in Wiltshire, Bath and surrounding areas.

We are called to medical emergencies, such as cardiac arrests and medical collapses, as well as serious trauma injuries and road traffic collisions.

We began operating in 1990 and the helicopter and crew have saved countless lives. The charity shared a helicopter with Wiltshire Police for 24 years, but began operating as a stand-alone air ambulance from 2015 using a Bell 429 helicopter.

It costs £4.5 million a year to keep the lifesaving service operational, which equates to more than £12,000 per day.
